

Give your guests the freedom to roam, the cordless accessory handset features 3 speed dials and a USB charging port on the charging cradle. Guests will appreciate the cordless freedom, while the hotels will welcome speed dials right on the handset for easy communication. Since this accessory phone registers to the cordless base, there's no need to install a phone line or PBX port for installation. The result: lower infrastructure costs and a better guest experience.

**Contemporary Analog Cordless Accessory Handset**  
1-Line CTM-A241SDU | 2-Line CTM-A242SDU
